

Financial Assistance Policy Plain Language Summary

Brockton Hospital, a not for profit acute care hospital, was established to serve the needs of the residents of the City of Brockton and surrounding communities. The hospital is committed to providing medical services to patients regardless of their ability to pay. Brockton Hospital recognizes that not all patients have the financial resources to pay their hospital bill. This plain language summary provides basic information about our policy.

Brockton Hospital Financial Assistance Policy (FAP)

The Financial Assistance Program offers emergency and other medically necessary services at low cost to qualified patients. Whether patients are uninsured or underinsured, they can apply for financial assistance. Our Financial Counseling staff will assist individuals in applying for eligible government health insurance programs and completing the MassHealth/Health Safety Net application that is used for our financial assistance program.

Patients who qualify cannot be charged more than the amount reimbursed by the Medicare program. No FAP eligible individual will be charged more than amounts generally billed for emergency or medically necessary care.

Please Note: Co-payments, Coinsurance and Deductibles are not eligible for Financial Assistance.
