Please join us in honoring *Alfred T. Niccoli*

Since the age of 15, Alfred (Fred) T. Niccoli has been intimately involved with the operations of his family business, Niccoli Energy in Brockton. Early on in his career he became a licensed plumber and began to develop community connections through his pleasant demeanor and conversational skills during service calls. He was friendly, reliable and always willing to lend a helping hand.

Fred continued to use his personal skills and business acumen when he became a co-owner of Niccoli Energy along with his brother James Niccoli and late cousin Joseph Niccoli. He was instrumental in helping the company expand beyond oil service into a more comprehensive energy company which includes gas conversion systems and heating and cooling systems. Fred still works daily in the family business now operated by the third generation of Niccolis.

Since 2011, Fred has served on the Board of Trustees and Development Advisory Board of Signature Healthcare helping in the success of Signature Healthcare and its fundraising efforts. He is the past chair of the Bringing Boston to Brockton campaign to build a new cancer center and a co-chair of the current MISSION IMPOSSIBLE campaign providing major improvements to various areas of Signature Healthcare Brockton Hospital.

Beginning with Brockton Brotherhood Credit Union and two subsequent mergers and finally at Sharon Credit Union, Fred has been a member of their board for 41 years.

Proceeds will support Signature Healthcare as we continue to recover from the fire.
